

A man with a beard, wearing a dark suit and a light-colored shirt, is shown in profile, focused on opening a wine bottle with a corkscrew. He is standing in a wine cellar, with rows of wine bottles visible on shelves in the background. The lighting is warm and focused on the man and the bottle he is holding.

EARTH WATER

BY DRINKING EARTH WATER, YOU ARE SAVING LIVES

- Water for Water, it's just that simple -

It is EARTH WATER International's mandate to give 100% of our net profits to the United Nations World Food Programme to provide clean drinking water to millions of refugees around the world.

To make sure that these resources are used the most effectively EARTH WATER International started a partnership and work cooperation with the United Nations Agency for refugees, which benefits from the infrastructure and the staff, and have the necessary competences to make sure that the money generated from the sales of EARTH WATER goes directly to those who need it most.
